Good morning Mark, we are coordinating with the RSO shop. We are working through those issues with advancing the airport and weapons.

Since Administrator will no longer be flying in/out of Bologna can we take the airport off the advance? Or do you need to advance it in case of some unforeseen emergency making him fly out of Bologna?

Which begs the question, who/how are you going to advance Milan airport for departure from Italy?

Mark

Subject: RE: Notional Schedule: G7 Bologna Advance

Hi Folks,

A couple of questions about the advance in light of the latest schedule:

It looks like the Administrator will be departing Bologna by car and leaving through Milan, not the airport in Bologna. Mark, can we take the airport off the advance?

Ex. 7(c) I see that you have budgeted a sedan and a van for the advance. Will the sedan be coming up from Rome with the advance team?

We need to add Palazzo Re Enzo back to the advance, so we can use the original plan. Fede, we can keep Savoia and FICO as is, but will have to add Palazzo Re Enzo back in at 10:30 AM - 11:45 AM timeslot. If we need to keep the airport, we can add it after the FICO site. Please advise.

08:15 **Ex. 7(c)** and **Ex. 7(c)** depart Florence

09:30AM: **Ex. 7(c)** and **Ex. 7(c)** meet Mark/advance team at Bologna station.

09:30 – 10:15 am: Station site survey

10:30PM-11:45PM: Palazzo Re Enzo survey

12:00AM-1PM: Line advance Savoia Hotel survey; **Ex. 7(c)** and security crew w/ questura

1-2PM: LUNCH SOMEWHERE NEAR THE HOTEL or FICO

2:00-3:30PM: FICO/CAAB site visit (security and line advance meet at FICO)

4PM: TBD Airport

4:30PM or 6PM (depending on airport): Departures

Also please send us the updated transportation manifest whenever it's available.
Mark, I take it that we can still cut vehicles for the 13th?
